PLEASE RAISE YOUR GLASS TO OUR HONOREES

DR. JOHNNIE AND THE HONORABLE WIN FRAZIER

We are delighted to have as our Honorees, Dr. Johnnie and the Honorable Winfred Frazier for their history of dedicated support of Bellaire Parks and green space. Johnnie and Win have been longtime supporters of PATRONS, Evelyn's Park Conservancy, and the Nature Discovery Center with a long track record of volunteerism and support of our neighborhood parks. Win previously served as President of PATRONS, with Johnnie chairing multiple Wine and Tapas galas. They additionally have served as longtime members of the Nature Discovery Center Advisory Council. Win currently serves as Mayor Pro Tempore and Johnnie has continued her dedicated involvement in park fundraising post her retirement from medical practice. Their devotion and service to our community is immeasurable and we are immensely grateful to be able to honor them this evening.

CHEERS TO OUR ANNUAL CORPORATE PARTNERS!

Helping Here.

HELP US BUILD A BRIDGE IN THE NATURE DISCOVERY CENTER'S ENCHANTED WOODS!

A Bird's Eye View: The Enchanted Woods

Here is where she discovers
the joy of rolling down a hill.

Here is where they'll gather for
classes, camps and birthday parties.

Here is where it's okay to splash
in the water and make mud pies.

A nature-based adventure playground, with the Treehouse Terrace outdoor classroom as its focal point, will replace conventional plastic slides and swings with natural play elements such as hills, tunnels, water, sand, and loose parts stimulating creative, challenging play, and encouraging an emotional bond with nature.

3

Guests will learn more about the Nature Discovery Center's planned nature-based adventure playground and have an opportunity to donate during the "Masks Up" portion of the program.
